1. This text is about_____.

On weekdays the alarm clock wakes me up at 6.30 and my working day begins. I'm not an early riser, that's why it's very difficult for me to get out of bed, especially in winter. I switch on my tape-recorder and do my morning exercises. Then I go to the bathroom, take a warm shower, brush my teeth and shave. After that I go to my bedroom to get dressed.

Usually, my mother makes breakfast for me. It takes me an hour and a half to get to work.

During the working day we also have several short coffee breaks. But sometimes we have no time for them.

I come home at about 7 o'clock in the evening. My parents are usually at home, waiting for me. We have dinner together. Then we sit in the living room, drink tea, watch TV or just talk.

- A. MY DAY OFF
- B. MY WEEKENDS
- C. MY HOLIDAYS
- D. MY WORKING DAY

1. This text is about_____.

When you leave your school, you understand that the time to choose your future profession has come. Choosing a career isn't an easy thing.

There are a lot of interesting professions in the world, so it is difficult to make the right choice. Some important jobs are nurse, photographer, businessman, scientist, fireman, fashion designer and many other jobs.

Your choice of a job can be influenced by your interest, your talent, and pressure from your parents. To sum up I would like to say that choosing my future career is a very important step in my life. I suppose that my facilities combined with knowledge will be quite enough to succeed in my work.

1. This text is about_____.

My best friend's name is Nick. We made friends a few years ago. We are of the same age. We see each other almost every day.

Nick is a tall boy. He has got dark hair, large dark eyes, a straight nose and thin lips. He is a nice guy. He is very honest and just, understanding and kind. I trust him a lot and I'm sure that I can rely on him in any situation. He never lets people down. Nick is only 19 but he is very responsible — he finishes whatever he starts.

Nick's an only child and his parents love him very much. We spend a lot of time together. We often watch videos or listen to music.

I miss Nick when we haven't seen each other for a long time. Our friendship helps me to feel strong and sure of myself.
